

# Family Care Ministries

*Seeing Lives Transformed*

What a great turn out for the premier of Gateway to Hope: Overcoming Heroin! We had a packed house and already as a result we have had the privilege to help a young lady enroll in Teen Challenge. If you were not able to attend the premiere, there are three opportunities in May to see it! May 11 at East Liverpool High School, May 17 at The Center, (located behind Wellsville First Christian Church) and May 30 at Beaver Local High School. For times, addresses and to purchase tickets go to [www.gthdocumentary.com](http://www.gthdocumentary.com).

An average of 85 people per week are being helped in classes and training through Family Care Ministries. Since our last newsletter there have been more than 25 certificates presented to those who have completed Discovering Freedom, Preparing for and Responding to Temptation and Women of the Word. Various classes are offered on Thursday evenings at 6:30 at the Family Care office in downtown East Liverpool.

Mark your calendars for the upcoming fall fund raising banquet on September 7<sup>th</sup> at the Dutch Village Inn in Columbiana, OH. More info will be available closer to that date.

We ask that you prayerfully consider helping to get the new Freedom Home ready to accept students. Financial help for remodeling is needed and donations can be mailed to PO Box 2475 East Liverpool, OH 43920 or online through our website [www.familycareministries.org](http://www.familycareministries.org). Also needed will be new furniture, a vehicle for transporting students, washer and dryer, refrigerator, lawn care items, etc.

A special thank you to the numerous churches, rotary, youth events, community events, police departments and others where we have been privileged to speak and partner with recently. We appreciate all the support, prayers and backing of so many!

Family Care Ministries • 119 West 6<sup>th</sup> St East Liverpool, OH
