Seeing Lives Transformed

Isaiah 40:29 He gives power to the faint, and to him who has no might he increases strength!

So thankful for this promise! We are seeing so many who were told they would never change, never have the strength to have a life free of life controlling problems that have and are experiencing that power and strength to overcome! As Paul in the Bible said, "Thanks be to God for this indescribable gift!"

We have had a tremendous couple of months seeing people individually, in groups and through our evangelism services in the jails, youth outreaches, in the community and many churches.

EXCITING NEWS: We have started a new mentorship program that allows us to help people through video no matter where they are located. This program can be utilized for anyone who wants to be a part. Whether for accountability, encouragement, addiction or just to grow closer to Jesus, this could be for you! Message us on Facebook or the office at the number listed below to sign up and get put into a group. In addition to the hundreds we are able to reach a month, we are believing this will be able to double the amount of people we are able to reach with the gospel message!

Our second office location to be opening soon! We will be
more of a presence in St. Clair Township and have a sec

Our Cities Redeemed Banquet was a tremendous success! Such a great time of hearing stories of hope and casting vision for the future of what we are going to see happen in 2019!

Round 2 of Taking Back Our Valley which included 5K, Fire Engine Pull for Hope, Donut Eating Contest, K9 demonstrations, and just a great time celebrating how a community as we depend on the hope that comes from Christ will continue to be transformed. Since last year, our community has had national recognition. Through the statistics of the number of here, our nations leaders have been in continue this change throughout our nation. and goal.
